## Queen's Landing enhances Niagara-on-the-Lake's rich heritage of gracious hospitality.

Queen's Landing is redefining the standards of elegance and hospitality that have become a tradition for over two centuries in Niagara-on-the-Lake. From the beginning, we have worked to achieve a delicate balance by offering the amenities and sophistication discriminating guests expect without sacrificing the personal attention and warmth that is associated with a Country Inn.

## Fine dining overlooking the Niagara River

The picturesque view across the river is a natural appetizer to the sumptuous cuisine that awaits you.

A feast for the eyes and the palate, our chef prepares an array of culinary delights with flair and elegance. From an early breakfast to an exotic evening dessert, you'll long remember our inspired presentation, attentive service and gracious ambience.

## A wealth of history & culture

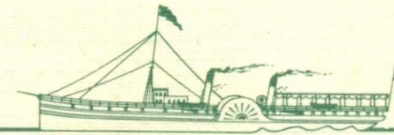

Prior to the War of 1812 and the burning of the town, Niagara-on-the-Lake was the site of the first capital of Upper Canada. You don't have to be a history buff to appreciate the many historic points of interest in town including the Historical Museum, Navy Hall and Fort George.

Niagara-on-the-Lake is also home to the world-renowned Shaw Festival Theatre. Be sure to enjoy a dramatic, comedic or musical performance at one of Shaw's three theatres around town from May through October. Theatre Beyond Words mounts their popular winter season each year as does the Niagara Symphony.

Our Inn is adjacent to the Yacht Club. Nearby, there is a picturesque golf course and tennis courts for your summer pleasure and miles of cross-country trails in winter.

Downstream from world-famous Niagara Falls, our Inn is nestled in the heartland of Niagara's wonders. Less than an hour from Buffalo and just an hour and a half from Toronto, we are in the midst of a year-round chorus of historical, entertainment and leisure activities, yet just far enough away from the roar of the real world.

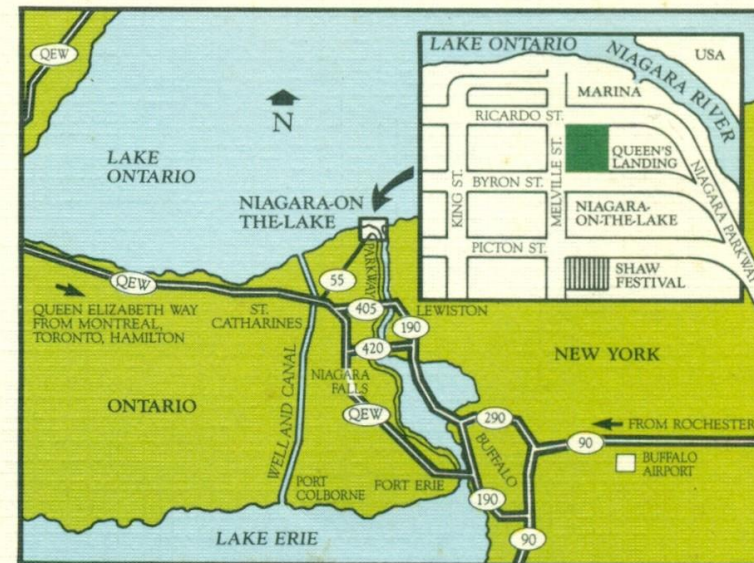

Won't you join us soon?
